

MARICOPA COUNTY SHERIFF'S OFFICE

Bureau of Internal Oversight

Audits and Inspections Unit

February 2018 Supervisor Note (Detention) Inspection

Inspection Report# BI2018-0022

The Audits and Inspections Unit (AIU) of the Bureau of Internal Oversight (BIO) will conduct Blue Team Supervisor Note entry inspections on a monthly basis. The purpose of the inspection is to ensure compliance with Office policies and to promote proper supervision. To achieve this, inspectors will select for review the Supervisor Note entries for 35 randomly selected Detention personnel for the month being inspected. To ensure consistent inspections, the Supervisor Note Inspection Matrix developed by the AIU will be utilized.

Matrix Procedures:

Utilize the Supervisor Note Inspection Matrix to ensure that each randomly selected employee received one Supervisor Note entry during the period being inspected and that the Supervisor Note was of sufficient quality to document the employee’s work performance (reflects the employee’s positive traits; accomplishments; any observed shortcomings; and can be used to facilitate the preparation of an accurate and detailed performance review) and that the selected employees’ EIS information was reviewed.

Criteria:

MCSO Policy GB-2, *Command Responsibility*

Conditions:

The inspection found that 33 of the 35 employees, or **94.29%**, had the required monthly Supervisor Note entries in compliance with MCSO Policy GB-2, *Command Responsibility*.

Below is the six month historical comparison of compliance rates for detention personnel Supervisory Notes entries.

The following deficiencies in the employees’ Supervisor Note entries were identified:

PLEASE NOTE: *The Supervisory Note Inspections represents a monthly snapshot in time and any deficiencies noted are the responsibility of the Supervisor and the Chain of Command at the time the entry was made. Any inaccuracies in command structure due to transfers or other changes are outside the control of the AIU.*

Employee Notes Inspected	Employee's Supervisor	Division	Division Commander	Deficiency Noted
Officer	Sergeant	5125-INMATE MEDICAL SERVICES	Captain	No Supervisor Note entry made in February
Officer	Sergeant	5114-4TH AVENUE JAIL	Captain	Supervisor Note Entry made in February did not document review of employee's EIS information

Recommendations:

It is recommended that Management continue to provide on-site mentorship to supervisors regarding the importance of ensuring Supervisory Note entries are used to document a specific employee's performance and should be of sufficient quality as to give a true assessment of the employee's performance during a particular period, as required by MCSO Policy GB-2, *Command Responsibility*, Paragraph 7.B and its subparagraphs. To accomplish this goal, the Supervisory Note entries need to specifically document the following requirements:

- The Employee's work performance during the last 30 day period.
- Once per month, supervisor's review of non-sworn subordinates' EIS information for the purpose of identifying and responding to any conduct patterns or concerns.
- Maintain a written record of the performance of each employee in the EIS Blue Team Supervisor Notes application. The record shall reflect the employee's positive traits and accomplishments and any observed shortcomings.
- Supervisor Note entries shall be of sufficient quality and frequency to facilitate the preparation of an accurate and detailed performance review, but *at a minimum, one entry shall be completed every month.*

Action Required:

With the resulting **94.29%** compliance for *Inspection BI2018-0022*, a total of **2** BIO Action Forms are requested from the affected divisions. **The forms shall be completed utilizing Blue Team.**

Notes:

All supporting documentation (working papers) is included in the inspection file number *BI2018-0022* and contained within IA Pro

Date Inspection Started: March 1, 2018
Date Completed: March 19, 2018
Timeframe Inspected: February 1-28, 2018
Assigned Inspector(s): Sgt. M. Rodriguez A9047

I have reviewed this inspection report.
