August 25, 2016
Inspection #BI2016-0087

MARICOPA COUNTY SHERIFF'S OFFICE

Memorandum

Joseph M. Arpaio, Sheriff

To: Lt. R. Morris S1014
Audits and Inspections Unit Commander
Bureau of Internal Oversight

From: Sgt. M. Rodriguez A9047
Audits and Inspections Unit
Bureau of Internal Oversight

Subject: Summary of Findings Report
August, 2016
Computer Aided Dispatch (CAD) and Alpha
Paging Messaging Inspection BI2016-0087

Date: 8/25/16

The Bureau of Internal Oversight (BIO), Audits and Inspections Unit (AIU) will conduct inspections of the Computer Aided Dispatch (CAD) and Alpha Paging Systems on an ongoing basis. The purpose for the inspections is compliance with Office Policies, promote proper supervision, and support compliance with the Melendres Order. To achieve this, inspectors will select for review the CAD/Alpha Paging entries for 10 randomly selected days for the month being inspected. To ensure consistent inspections, the *CAD/Alpha Paging Inspection Matrix* developed by the AIU will be utilized.

Matrix Procedures:

A random sample containing ten of the thirty-one days from the month of August 2016 was generated using a research randomizing program, www.Randomizer.org. The Alpha Paging messages transmitted by the MCSO during the selected inspection dates were provided to the AIU by the MCSO Technology Bureau in an Excel spreadsheet. The CAD and Alpha Paging messages transmitted during the selected sample dates were uniformly inspected utilizing the CAD/Alpha Paging Inspection Matrix.

Criteria:

- MCSO Policy CP-2, *Code of Conduct*
- MCSO Policy CP-3, *Workplace Professionalism*
- MCSO Policy CP-8, *Preventing Racial and Other Biased-Based Profiling*
- MCSO Policy GM-1, *Electronic Communication and Voicemail*
- Melendres Order (Paragraphs 22, 23)

Conditions:

Collectively there were a total of **8,432** CAD and Alpha Paging messaging entries (8,283 *CAD*, 149 *Alpha Paging*) sampled, which were transmitted by MCSO personnel during the selected dates available for inspection.

A historical comparison of the last six months of CAD/Alpha Paging inspections indicates that the compliance rate for the use of these systems has been 100 percent in four of the last six months.

Recommendations:

It is recommended that supervisors continue to provide mentoring to employees in:

- The contents of MCSO Policy GM-1, *Electronic Communication and Voicemail*.
- MCSO Policies CP-2, *Code of Conduct*, CP-3, *Workplace Professionalism*, CP-8, *Preventing Racial and Other Biased-Based Profiling*, as they relate to electronic communications.
- Continued effort should be made by supervisory staff to remind employees to use discretion and good judgment when sending electronic communications in compliance with MCSO Office Policy and in support of the Melendres Order.

Action Required:

With the resulting **100% compliance**, Inspection #BI2016-0087 will not require submittal of BIO Action Forms.

Notes:

All supporting documentation (working papers) is included in the inspection file number BI2016-0087 and contained in IA Pro.
